Training Agenda – 2 Day Lesson Plan Cycle Training

Day 1 / Day 2 This is an intensive and powerful training that brings all of the "G&G 28 Best Practices" into the lesson plans for each academic subject. This training will "connect the dots" for teachers to see the strong correlation between the 28 best practices imbedded within the G&G DLE model on a daily basis. The results of effectively implementing the skills learned in this training will be a significant increase in rigor, writing across the curriculum, paired learning, a student-centered classroom and much more.
